Branding Starts Here™

Dear Community,

We received the wonderful news that one of our ongoing clients, for the second year in a row, Albertus Magnus College is honored to be recognized with a CASE District 1 Excellence Award.

The College was named a Bronze Winner in the Communications/Multimedia Campaign Category for showcasing the celebration and ribbon cutting for the newly renovated Hubert Campus Center.

We sympathized and are grateful for the opportunity of our staff that was able to capture the first time reactions of students, staff and press present on January 2020.

We give many thanks to the Albertus's Communications and Marketing team for trusting our agency to deliver such important task.

The team at VP Creative Agency congratulate the Albertus community and families for this amazing recognition.

Respectfully yours,

Gabriel E. Perez
Executive Director
